Dear Michelle:

On behalf of the St. Louis African Chorus, I would like to thank you for your generous contribution of \$4,000 to our organization. Your donation will be applied toward developing the Boys Choir of Kenya touring program.

The St. Louis African Chorus is a 501(c) (3) tax-exempt organization under Federal Law. All your donations exceeding \$250 are, therefore, tax deductible. Your generous support reinforces our mission to develop and promote Africa's musical arts and to present cultural enrichment programs across the United States. We gratefully look forward to your future ideas and support toward sustaining this mission.

Thankfully Yours,

Fred Onovwerosuoke, Ph.D.
